

Dear Community Champion,

The Flagstaff Leadership Program (FLP) is on a mission to transform our community by educating and inspiring diverse leaders. We need your support to make this vision a reality.

Imagine a Flagstaff where passionate individuals come together to lead and uplift our community. This is what FLP strives for, and with your help, we can achieve it. By sponsoring our Leadership Education Days (LEDs), Retreat, Graduation, and Holiday Mingle, you directly contribute to building a brighter future for all of us.

As a 501(c)(3) nonprofit, your sponsorship is tax-deductible and makes a significant impact. We have various sponsorship opportunities available, including providing a meeting space for 30 people or donating lunch for our events. Every contribution, no matter the size, makes a significant impact.

Join us in making a difference. If you're interested in sponsoring or have any questions, please reach out to me or any FLP Board Member.

Together, we can create lasting change.

With heartfelt gratitude,

Julia Wright

LED Sponsors: FLP has 9 Leadership Education Days (LEDs) throughout the year. Sponsorship of an LED includes recognition on the program/agenda, verbal recognition, and the opportunity to speak for 5 minutes at the sponsored LED. LED topics are: Leadership & Ethics; Government/Public Safety/Elections; Community Diversity & Culture; Health, Human & Community Services; Economic Development/Tourism; The Arts; Education and Lifelong Learning; Sustainable Communities; and Science in the Community

In-Kind (venue): Do you have a venue that can accommodate 30 people at tables? Can you host a mixer, a graduation luncheon, or even a weekend retreat? We are seeking spaces for our events and would love to partner with you.

In-Kind (meal): Can you sponsor a meal for our Leadership Education Days (LEDs)? We need meal sponsors to provide lunch for approximately 30 participants. This is a great opportunity for 30 community members to experience and enjoy your cuisine.

We reserve the right to decline sponsorship or donation offers from organizations whose values, practices, or mission do not align with our commitment to leadership development and our overall mission. This policy ensures that our work remains consistent with our core values and objectives.
